

To whom it may concern,

I am writing to you in support of all Christian radio stations include K-LOVE. I am 43 years old, married, with 3 children. I also own a small business. Christian radio, including K-LOVE, is an important part of my daily life and that of my family. It is imperative that Christian radio stations are on the air and that they are available to as many Americans as possible. I have shared local Christian radio stations with family, extended family, friends and acquaintances. These radio stations are a glimmer of hope in a society wrought with negativity.

I would like to specifically discourage you from passing the following ordinances as I feel they would impair these stations from doing their important work in our community.

- **Require Community Advisory Boards**
- **Require Additional Staffing:**
- **Force Many of Our Translator Stations Off The Air:**
